

Light in Life™ is AISF's standard for inner self healing designed to be a practical reference for all, enabling anyone willing to measure their karmic progress in relation to God's spiritual perfection.

With the help of a guide, LiL™ effectively combines practical tools for inner guidance to enable a person to heal their Self, and overcome long-standing issues and problems of a spiritual nature.

The LiL™ standard was created following a self-healer's personal recovery experience—reforming a life from the influence of toxic emotions, substance need and self-destruct tendencies to light. *1

Spiritual Symptoms

Does the following describe anyone you know? Someone showing symptoms of a malfunction, any of these, which may be expressed through physical, emotional, and behavioral conditions—who:

- acts inappropriately
- operates deficiently
- carries a lot of baggage
- worries too much
- feels anxious without cause
- has inexplicable illness or pain
- internalized fear
- is attracted to anger
- seeks but never finds
- longs to fill a void
- confuses lust for love
- lingers with uncertainty
- blames others irrationally
- reacts to life emotionally
- nurtures resentment
- rejects God for nothing
- only lives for money
- represses the past
- is controlling the future
- doesn't (want to) forgive
- contemplates revenge
- claims to be a victim
- identifies with a definition
- struggles beyond pride
- wills over consciousness
- accuses without evidence

Perhaps this person's tried almost *everything* to alleviate pain, and continues to struggle within?

The Light in Life™ reference framework, facilitates someone's ability to rediscover the inner Self, by uncovering physical, mental, and emotional symptoms manifest of invisible spiritual causes.

Their success will depend on true willingness to dig deep within and face uncomfortable issues.
