ABOVE: ARTWORK BY UNKNOWN, VISUALLY REPRESENTING ONE'S SHADOW (A.K.A. ARCHON, JINN OR DJINN, A.O.) 'COMING INTO LIFE'.

The conjunction or opposition of the Black Moon and Chiron often poses a lifetime of painful experiences. This aspect almost demands that we sacrifice ourselves for others, leading us to walk through life with a deep wound that restricts our personal growth. This aspect is similar to that of the Black Moon and the Sun, in that it can indicate pervasive suicidal thoughts, thoughts that everyone would be better off if we were dead, or the desire for release from worldly problems. As we begin to heal our shadow side, a completely new perspective and experience of life is possible. We experience palpable rewards from engaging in work with the shadow. <sup>\*2</sup>

## Discovery

Notes from a session, December, 2013 [*edited*]:

"I had a Jinn in me, a negative entity and influence, which I acquired from [*person*], backstage at a festival in [*a city*] in what could have only been [*during a specific time*]. The Jinn was Turkish in origin, or rather, [*person*] acquired it herself from a Turkish person, who themselves acquired it unintentionally and set it free, which would attach itself to me. This meant, the Jinn was with me from 1994-2009."

## The Source of the Jinns

Wherever it is that the JINNS are thought of as being normally located, it seems highly likely that the source of many of them, at any rate, is not very distant from us, and some Muslim scholars who have become aware of the current Western research into the so-called "UFO Phenomenon" and have reflected awhile upon it have concluded—and I think correctly—that maybe the best way we can start to visualize these matters is by thinking of the JINNS AS BEING VERY CLOSE INDEED TO US AND AND YET AT THE SAME TIME SOMEHOW VERY FAR FROM US. IN OTHER WORDS, ON SOME OTHER DIMENSION, OR IN SOME OTHER SPACE/TIME FRAMEWORK, "RIGHT HERE", OR MAYBE IN A WORLD OF ANTI-MATTER RIGHT HERE, OR OCCUPYING AS IT WERE SOME OTHER UNIVERSE THAT IS HERE, BEHIND ALICE'S MIRROR: "A MIRROR-UNIVERSE ON THE OTHER SIDE OF THE SPACE-TIME CONTINUUM" AS IT HAS BEEN NEATLY PUT BY SOME INVESTIGATORS. <sup>\*3</sup>

A communist believes *it* can push christian capitalists to reveal their “psychopathy,” or “inhumane behavior and character” of capitalist societies, for example by threatening a man with harming his wife and children. If he agrees to do as he’s told, he’s then shown to be “weak” and controllable, and his chances of fighting back are considerably small, UNLESS he’s himself capable of self-defense, and protecting his family from these instigators.

Calling “the State” or police for help, may not be to his benefit nor lead to the best outcome.

His other choice, is that in front of his instigators, he turn a weapon on his own family, and threatens to “put them out of his and their misery,” rather than “give in” to the communist instigators... Whether he actually carries this out or not, this logic shows “he means business.” Unfortunately, it will likely then “prove” to the instigators that the man is psychopathic, for who in their “right mind” would consider doing such a thing if he loved his wife and children?

Unfortunately, this flawed communist logic, assumes that the man is thus “incapable” of loving his fellow human, when in fact, in may be, that he loves his wife and children so much, he would rather kill them now, than allow them to be “taken” by the instigators against their will, who may end up killing them anyhow. Either way, in the eyes of the communist, this would now “prove” the assumption that all western capitalist men are psychos, and the system must be brought down.

## Misusing Energy Through Anger

Most **anger** has at its root, **anger** against God.

**Anger** against God:

—can be expressed as resentment against God. This resentment can stem from a feeling that God has allowed someone in your life to be taken from you; or some event you were expecting to occur did not happen; or you feel hard done by because your karma is so hard.

—is often suppressed to unconscious levels because you cannot admit to yourself that you have **anger** against Almighty God. **Anger** against God can therefore be transferred to others and even on to yourself. <sup>\*4</sup>

## Hiding in Plain Sight

A U.S. Grand Jury on March 16, 1988, returned a 23-count indictment charging Oliver North, John Poindexter, Richard Secord and Hakim with conspiracy to defraud the Government, theft of Government property and wire fraud. North was charged also with obstruction of congressional investigations and false statements to a congressional committee and the attorney general, shredding and altering official documents, acceptance of an illegal gratuity from General Richard Secord in the form of a home-security system, conversion of traveler's checks and tax-fraud conspiracy North and Admiral John Poindexter were given Presidential Pardons December 24, 1992 by their partner in crime then U.S. President George HW Bush for their Iran-Contra drug and gun running while 5,000 military, Intelligence Officers and others involved in Iran-Contra were arrested to silence. 2,500 were locked up with this Whistle blower in Springfield, Missouri also known as Siberia USA to permanently silence those who were working for what they thought were legitimate U.S. Covert operations of State which was not the case. They were working for the Illuminati's Secret Shadow Government that had infiltrated the legitimate U.S. Government run by George HW Bush, Leonard Millman and Larry Mizel also known as AIPAC Espionage, Narcotics and Weapons Traffickers, Human Child Sex and Organ Traffickers and Financial thefts. \*5

Notes from a session in December, 2015: "In order to be *strong* like [*my father*], would have had to have gone through his experiences. I did in a way, but with "Christian" awareness which prevented me from being completely dominated or assimilated unconsciously = I willfully released projective shield, and capacity to contain undesirable emotions."

Even absolute monarchs can get bored. The exercise of great power may become tedious and burdensome—underlings are always disturbing your serenity with questions about details; victims are always appealing for clemency, pardons, or exemptions from your rules. In wartime, however, rulers come alive. \*6
