

All IS Foundation (AISF)

Welcome!

All IS Foundation is dedicated to spiritual research to facilitate inner progress within individuals, by providing a home, tools, and guidance for one seeking to reach higher levels of consciousness.

“All IS found,” AISF’s mystic motto, stands for “becoming ONE with God’s light within your Self.”

For that purpose, the foundation is an umbrella providing shelter for its two core mission projects: Light in Life™ for Guided Self-healing individuals and Masterdamus research into the Age of Light.

Light in Life™

Light in Life™ is AISF’s standard for inner self healing designed to be a practical reference for all, enabling anyone willing to measure their karmic progress in relation to God’s spiritual perfection.

With the help of a guide, LiL™ effectively combines practical tools for inner guidance to enable a person to heal their Self, and overcome long-standing issues and problems of a spiritual nature.

The paper [Upside Down: An Exit Guide for Tortured Souls](#) introduces what LiL™ can do for you.

Masterdamus

Masterdamus is a playful take on Nostradamus—as a mystical being—shining light on the future, by revealing widespread research in papers published by AISF covering a range of spiritual topics.

The first publication [Solar Ignition Water Vaporizer](#) proposes an energy-free desalination concept.
