

# Diversity [Rev. 20180722]

By J — Latest revision: <http://allis.foundation/Diversity.pdf>

German saying: "A dark German, a blond Italian and a red Spaniard seldom mean well, like a Dutchman of any colour." \*1

... at least all this negative coverage of meat makes vegetarians happy. Or at least it would do, if they had the energy to be happy. \*2

ASIA FOR THE ASIANS, AFRICA FOR THE AFRICANS, WHITE COUNTRIES FOR EVERYBODY!

Name ONE single non-White country who's people are at risk of becoming a minority.

You can't, there are none.

Name ONE single White country who's people AREN'T at risk of becoming a minority.

You can't, there are none.

That's because there is a program of White geNOcide.

They say it's "anti-racist", but it's simply anti-White.

Anti-Racist is a codeword for Anti-White. \*3

A guy posted an article on Linked in that Talked Happy about how all we need to do is "diversify" our skills and all will be well. I left a vinegary reply for him pointing out that "diversification" means work more and longer for less money. I gave him the example of journalism: Writers used to write. Now, they also copy edit. And then do layout and graphic design. Sometimes, marketing, too. But do they get paid to do the additional work that was once done by others? No. They are simply expected to do more work for less pay.

This is not confined to my area of work, either. It has become pretty typical across the board.

Meanwhile, the real cost of living has gone up considerably; stuff costs more—and we have less money (buying power) at the same time.

And, we're now forced to buy shit such as "health care"—a formerly optional expense—and that has added yet more financial pressure... \*4

... Men are naturally protective of their mothers, sisters, wives, daughters, nieces and granddaughters. The Women's vote was sold on the premise that men cannot be trusted to make a decision that is fair and beneficial to the best interests of the women in their lives. The women's vote was sold as being in the best interest of Democracy.

Thus, the women's vote was the first to emasculate this protective instinct of men... \*5

## Genocide

**Never have a people embraced their political and cultural demise with such complacency as the dimwitted denizens of Europe, North America and Australia...**

**The causes of mass migration** are still cleverly concealed by the system, and portrayed as inevitable by multicultural propaganda. ... What they want to present as an inevitable and spontaneous phenomenon is actually a deliberate longterm plan to destroy the face of the continent.

### **Pan Europe**

One of the main initiators of the process of European integration was the man who designed the genocide plan of the Peoples of Europe. The elite consider him the founder of the European Union. His name is Richard Coudenhove Kalergi. His father was an Austrian diplomat named Heinrich von Coudenhove-Kalergi (with connections to the Byzantine family of the Kallergis) and his mother the Japanese Mitsu Aoyama...

In 1922, he founded the "Pan-European" movement in Vienna, which aimed to create a New World Order based on a federation of nations led by the United States. European integration would be the first step in creating a world government. Among the first supporters, including Czech politicians Tomáš Masaryk and Edvard Beneš and the banker Max Warburg, who invested the first 60,000 marks. The Austrian Chancellor Ignaz Seipel and the next president of Austria, Karl Renner, took the responsibility for leading the "Pan-European" movement. Later, French politicians, such as Léon Blum, Aristide Briand, Alcide De Gasperi, etc joined.

With the rise of Fascism in Europe, the project was put on hold, but after the Second World War, thanks to the support of Winston Churchill, the Jewish Masonic Lodge B'nai B'rith and major newspapers like the New York Times, the plan was accepted by the United States Government. The CIA later undertook the completion of the project.

### **The Essence of the Kalergi Plan**

In his book «*Praktischer Idealismus*», Kalergi indicates that the residents of the future "United States of Europe" will not be the People of the Old Continent, but products of miscegenation. He clearly states that the peoples of Europe should interbreed with Asians and colored races, thus creating a multinational flock with no quality and easily controlled by the ruling elite.

Kalergi eliminates nationhood and self determination using ethnic separatist movements and mass migration. In order for Europe to be controlled by an elite, he wants to turn people into one homogeneous mixed breed of Blacks, Whites and Asians. Who is this elite however? Kalergi is particularly illuminating on this:

*The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time, and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading nation through this artificial evolutionary process. It's not surprising that the people that escaped from the Ghetto-Prison, became the spiritual nobility of Europe. Thus, the compassionate care given by Europe created a new breed of aristocrats. This happened when the European feudal aristocracy crashed because of the emancipation of the Jews [due to the actions taken by the French Revolution].*

Although no textbook mentions Kalergi, his ideas are the guiding principles of the European Union. The belief that the peoples of Europe should be mixed with Africans and Asians, to destroy our identity and create a single mestizo race, is the basis of all community policies that aim to protect minorities. Not for humanitarian reasons, but because of the directives issued by the ruthless Regime that machinates the greatest genocide in history.

The Coudenhove-Kalergi European Prize is awarded every two years to Europeans who have excelled in promoting this criminal plan. Among those awarded with such a prize are Angela Merkel and Herman Van Rompuy.

The incitement to genocide, is also the basis of the constant appeals of the United Nations, that demands we accept millions of immigrants to address the low birth rates of the EU. According to a report published on January 2000 in «Population division» Review of the United Nations in New York, under the title "Immigration replacement: A solution to declining and aging population," Europe will need 159,000,000 migrants by 2015.

One wonders how there can estimate immigration with such accuracy if it were not a premeditated plan. It is certain that the low birth rate could easily be reversed with appropriate measures to support families. It is just as clear that it is the contribution of foreign genes do not protect our genetic heritage, but that it enables their disappearance. The sole purpose of these measures is to completely distort our people, to turn them into a group of people without national, historical and cultural cohesion.

In short... "What people in all places have to do is to limit of birthrates and promote mixed marriages (between different races), this aims to create a single race in a world which will be directed by a central authority. "

## Conclusion

If we look around us, the Kalergi plan seems to be fully realized. We face Europe's fusion with the Third World. The plague of interracial marriage produces each year thousands of young people of mixed race: "The children of Kalergi». Under the dual pressures of misinformation and humanitarian stupefaction, promoted by the MSM, the Europeans are being taught to renounce their origin, to renounce their national, racial and cultural identity.

The servants of globalization are trying to convince us that to deny our identity is a progressive and humanitarian act, that "racism" is wrong. It is necessary, now more than ever, to counter the lies of the System, to awaken the revolutionary spirit in Europeans. Every one must see this truth, that European Integration amounts to genocide. We have no other option, the alternative is national suicide. \*7

# Soros 'Stoking Refugee Fires' to Topple Europe

George Soros, known as much around the world for his billionaire backing of pet projects as for his image as an enemy of free markets and Western-style capitalism, has been accused by Hungary's prime minister of sparking and fueling a refugee crisis that will topple Europe.

Prime Minister Viktor Orban called Soros one of several "activists" trying to take down the European Union via mass immigration from Middle Eastern regions, Bloomberg reported.

Orban said, in an interview on the public radio outlet, Kossuth: "His name is perhaps the strongest example of those who support anything that weakens nation states, they support everything that changes the traditional European lifestyle. These activists who support immigrants inadvertently become part of this international human-smuggling network."

Orban has drawn the fire of liberal civil-rights groups for constructing a razor wire fence along the border and for tightening laws granting asylum to those from other nations. Orban has also been slammed for siding with those who want to stem the tide of migrants heading into European Union nations from Syria and other Mideast regions.

Soros hails from Hungary. His website GeorgeSoros.com touts him as a "prominent international supporter of democratic ideals and causes" as well as the leading figure behind the Open Society Foundation, an organization that funds various causes.

But critics decry Soros as little more than a left-wing activist, intent on using his billions of dollars to topple governments and bring about his socialist-minded visions around the world.

He's also been tied to corrupt business dealings.

The Blaze in a guest post in 2012 reported: "Soros is reviled abroad and criticized here in his adopted country [of America]. Most everywhere Soros, his foundations or his investing have gone, trouble has followed. He's helped foment revolutions, undermined national currencies and funded radicals around the world. Soros has been convicted of insider dealing in France and fined \$3 million, fined another \$2 million in his native Hungary. His foundations have been accused of shielding spies and breaking currency laws and his investing strategy has been targeted for harming several national currencies." \*8

## Trump Doesn't

Donald Trump did not steal your money. Donald Trump did not raise your taxes.

Donald Trump did not quadruple the price of food. Trump is not stirring a race war. Trump did not leave any US soldiers in Benghazi to be slaughtered and desecrated by Muslims.

Trump did not send the US Navy to fight for Syrian Al-Qaeda. Trump did not arm ISIS and systematically exterminate Christians throughout the Middle East. Trump did not betray Israel. Trump did not provide financing and technology to Iran's nuclear weapons program. Trump did not give our military secrets to China. Trump did not remove our nuclear missile shield in Poland at the behest of Russia. Trump did not shrivel our military, and betray

our veterans. Trump did not cripple our economy. Trump did not increase our debt to 20 trillion dollars. Trump did not ruin our credit, twice. Trump did not double African American unemployment. Trump did not increase welfare to a record level for eight years. Trump did not sign a law making it legal to execute, and imprison Americans. Trump did not set free all of terrorists in Guantanamo bay. Trump did not steal your rights, violate US Constitutional law, or commit treason, hundreds of times.

Trump is being ripped apart in the news, non stop. Barrack Hussein, Hillary Clinton and the criminals occupying our government, are not.

The media is the Democratic Party.

Save your culture. Stop listening to them.

He has said NOTHING derogatory about MEXICANS .... He has said what American citizens KNOW..... This country has to close its borders to ILLEGAL Immigration!

Finally, someone who tells the truth! It's what this country needs! \*9
